

**PLG Schools offers quality,
affordable private education
on your doorstep.**

PLG Schools bridges the financial gap between government school fees and the 'elite' independent school fees, bringing **the benefits of private education** to many **more families**.

Our vision is to make **quality** independent education **accessible** and **affordable** to communities across the country.

Our passionate educators nurture the **individual relationships** that help to identify your child's strengths and weaknesses - the insights that are essential to ensuring your child's academic success.

PLG Schools offer a co-ed learning environment from Pre-Primary to Matric with **English** as the primary medium of instruction. We follow the South African Schools Curriculum (CAPS) with emphasis on building a sustainable foundation of academic excellence. Certain PLG Schools will include the IEB matric examination.

At PLG Schools, we work to refine and develop your child's communication and social skills, self-discipline, respect for self, others and the environment. We aim to inspire and instil in our pupils the love for life-long learning that will equip them to follow their career passions and play meaningful roles in their communities throughout their lives.

PLG Allens View Academy

A new era in private primary school education

PLG Allens View Academy

1014 Landhuis Street, Allens Nek

PLG Allens View Academy offers **affordable private education** to residents in the Allens Nek, **Rooдеpoort** area. The school has large grounds in a very central location just off Jim Fouche Road, offering the surrounding Allens Nek, Panorama and Weltevreden Park communities the luxury of **quality affordable private education** right on the doorstep of their homes and work.

PLG Allens View Academy offers pre-primary and primary school. The buildings and large gardens offer a peaceful, attractive and safe environment for your child to explore, learn and grow.

ACADEMIC

- Pre-primary and primary school.
- CAPS curriculum.

SPORT, CULTURAL & EXTRA-MURAL ACTIVITIES

Various sports, cultural and extra-mural activities are offered.

PLG Allens View Academy offers drama, arts & crafts, modern dancing and an orators' club; these extra-mural activities are included in the school fees.

We have also partnered with external service providers to offer other extra-murals which are not included in our school fees. These include Dance with Soul Ballet, Judo, Soccer Kidz and Buzzi Bodies (general fitness and gross motor skills development). If parents choose these additional activities, the providers bill parents directly.

"A Candle loses nothing by lighting another candle" - James Keller
